An enthusiastic reactJS developer who is eager to contribute to team success through hard work, attention to detail and excellent organizational skills. With clear understanding of frontend web development and training in backend web development, I'm motivated to learn, grow and excel in the tech space. I am an innovative and a tech-savvy individual with 3 years of experience in website design and web development, a seasoned expert in markups such as HTML and CSS, frameworks and libraries such as ReactJS, NodeJS and ExpressJS as well as scripting languages like JavaScript and typescript
